

GUARANTEE SERVICE SCHEDULE

MILEAGE

ZIEX ZE914 60,000KM GUARANTEE

Not only is the **ZIEX ZE914** made for Australia, we know it's good for a minimum of 60,000km. If it doesn't, we'll give you credit back.*

WILDPEAK HT 80,000KM GUARANTEE

The **WILDPEAK HT** is the highway tyre of choice for your 4x4. It will go the distance for a minimum of 80,000km, otherwise we'll give you a credit back.*

ZIEX CT60 80,000KM GUARANTEE

The **ZIEX CT60** is the ideal tyre for your SUV or crossover. We guarantee it for a minimum of 80,000km, otherwise we'll give you a credit back.*

ZIEX ZE310R 60,000KM GUARANTEE

Not only is the **ZIEX ZE310R** made for Australian roads, we know it's good for a minimum of 60,000km. If it doesn't, we'll give you a credit off your next set.*

PUNCTURE

PUNCTURE GUARANTEE**

Experience hassle-free driving at no extra cost. If you get a puncture, hit a pothole or kerb, and your **AZENIS** or **ZIEX** tyre is damaged we'll replace it for **FREE**.*

*Terms and conditions apply. For more information visit www.falken.com.au/guarantee

**If the tyre is punctured and is unrepairable or run-flat in the first year of service, with less than 25% tread wear, then a free identical replacement tyre will be supplied. This service schedule is only to aid in maintenance records. Claims still require copies of the original invoices.
